DIRECTIONS: From Rosecrans Street, turn into the Liberty Station shopping center (with Vons and Trader Joe's). Park near the Trader Joe's, then walk to the courtyard between the Panera Bread and Starbucks. Once through the courtyard, turn left into the corridor and walk past the jeweler. Enter the next set of green wooden double doors to your left. There is a blue sign above the door indicating the building and suite numbers. Elder Care Guides is on the second floor, the first office at the top of the stairs.
