DIRECTIONS: From Rosecrans Street, turn into the Liberty Station shopping center (with Vons and Trader Joe's). Park near the Vons building, then walk to the courtyard between the buildings numbered 2495 and 2445 (between Vons and Five Guys Burgers), with the flagpole and benches. Once through the courtyard, turn left into the corridor and enter the first set of green wooden double doors to your left (Building 28). Elder Care Guides is on the second floor, the first office at the top of the stairs.
